LATEST NEWS

ACT OF REMEMBRANCE

A minute's silence will be held before today's Inkberrow game to remember those who gave their lives in conflict.

CLUB REPORTED TO THE FA

Match officials had to report an allegation of homophobic language by a supporter during the Hartpury game. Tiverton has responded to the FA and awaits its decision; a fine is possible. The club would like to stress that discriminatory language will not be tolerated and warns that any further incidents could lead to a supporter ban. Respect for officials, players and fellow fans is essential.

MERCH SHOP MANAGER WANTED

A volunteer is needed to run the shop around home matches. Training is provided and stock ordering is handled separately.

SPONSOR A TIVVY PLAYER

The club hopes every player will be sponsored this season. For availability, email commercial@tivertontownfc.uk or contact Viv Curtis.

POOL TABLE RETURNS

There's a new addition to the Sports Bar! Pool is back at just £1 a game. The Function Room refurbishment is also continuing.

MATCHDAY STEWARDS NEEDED

Tiverton are looking for additional volunteer stewards to help when cover is short. Full training is provided. Speak to Matchday Safety Officer Marian Pile to find out more.

AROUND THE LEAGUE

INKBERROW EDGE FIVE-GOAL THRILLER

Sporting Club Inkberrow edged an entertaining 3-2 home win over Bideford. Aidan Clark scored twice before the interval, with Stanley adding a third after Bideford had fought back to level the scores.

MARINE HIT MELKSHAM FOR SIX

Swindon Supermarine ran riot with a 6-0 home victory over Melksham Town on Saturday. The emphatic six-goal performance gave Marine another eye-catching result in the Division One South promotion race.

DORCHESTER BOUNCE BACK IN STYLE

Dorchester Town responded to Saturday's home defeat against Portland with a convincing 4-0 victory at Bishop's Cleeve on Tuesday evening. The Magpies produced a timely midweek response after conceding three goals to Portland at the weekend.

PORTLAND STUN THE MAGPIES

Portland United came away from Dorchester Town with a 3-2 victory in one of Saturday's standout results. Stephen Woolford opened the scoring before Patrick Jenkins and Harley Brook struck in the second half.

HARTPURY HIT FOUR

Hartpury enjoyed a comfortable 4-0 home win over Shaftesbury. James Osborn scored twice before Nathan Jenkins and Jonathan Ewing added to the tally, securing a clean sheet and three valuable league points.

BARNSTAPLE TAKE THE POINTS

Barnstaple Town claimed a 3-1 home victory over Slimbridge on Saturday. Rogers and Watson put the hosts ahead early, and Brodie Montague's second-half penalty sealed the points after George Collins had pulled one back.

SOUTHERN LEAGUE

By Jon Couch

SELECTING the TV picks for FA Cup matches always sparks lively debate. Ultimately, you can't please all of the people all of the time, but every year it seems there are ties, invariably involving Non-League sides, who can consider themselves unfortunate to miss out. That is indeed the case once again in this year's first round proper draw - there are so many good ties to choose from.

Let's be honest, TV companies - in this year's case TNT Sports, and to a lesser extent, the BBC - have to ensure that viewing figures reflect the vast amounts of money they spend on securing TV rights for the world's most famous cup competition. But there are always some ties who will rightly feel aggrieved they've been overlooked. Take Boreham Wood v Wigan Athletic for example. Luke Garrard's Wood are setting the National League alight so far this season, while League One strugglers Wigan lifting the trophy at Wembley as recently as 2013, under Roberto Martinez.

And there are many more too. Hornchurch must've thought they were in with a shout for their visit of Blackpool, similarly Kidderminster Harriers for their home tie with Doncaster Rovers or even Carlisle United against League Two leaders Salford City. But AFC Rushden & Diamonds' story is surely deserving of a place in the spotlight when they travel to Burton Albion.

Elliot Sandy's men have beaten higher opposition three times and won six games to get to the first round for the first time in their history as a club - and fanbase - who have started again after their previous guise folded. It's what the FA Cup is all about.

Instead, we've got an all-League One clash between Peterborough United and Reading because Posh boss Robbie Savage will be up against his son Charlie. This is nothing against the Savages. But the £50,000 broadcast fee would have been huge for Diamonds and helped to build even more of a legacy from this run. They might not make it this far again for a number of seasons, whereas, Peterborough play Reading again in December! That's not to say we don't have some mouth-watering match-ups to look forward to.

SOUTHERN LEAGUE

On today, Stafford Rangers, fresh from their 5-0 thumping of Gateshead in the last round, welcome Grimsby Town, of League Two, in a tasty lunchtime serving, while Altrincham, with all their cup pedigree, take on Notts County in what promises to be a teatime humdinger.

But perhaps the most pleasing TV pick has been saved for Monday night when Plymouth Parkway and Berkhamsted meet in an all-Southern League Premier South clash. It's not often that TV companies plump for live all-Non-League clashes at this stage of the competition but there's certainly no complaints our end!

SATURDAY NOVEMBER 7

Altrincham v Notts County (ko 5.30pm, live on TNT Sports/HBO Max and BBC Two/iPlayer)

SUNDAY NOVEMBER 8

Stafford Rangers v Grimsby Town (ko 12pm, live on TNT Sports 1/HBO Max), Cray Wanderers v Stockport County (ko 2.15pm, live on TNT Sports 3/HBO Max and BBC Two/iPlayer), Wimborne Town v Crawley Town (ko 3pm, live on TNT Sports 1/HBO Max)

Howe proves Yellows Wey too strong for Terras

I've witnessed quite a few Tivvy horror shows in my decade of following the Yellows. Though, to mark Halloween this season, Asa Hall's men produced a display that bucked the trend of many capitulations and near misses. The quality, application and resilience they showed to get a result here against the league leaders at the start of play cannot be underestimated.

Let's not get carried away, because there have already been a few false dawns this season. However, whereas options seemed a little limited earlier in the season, a strong line-up and bench were named here. As a squad, those who took part in this superb victory against a previously unbeaten side all made excellent and important contributions.

In front of Louis Smith was a back three of Matt Wood, Asa Hall and Louie Slough. Full-backs/wing-backs were Mason Winter and Corey Koerner. Jack Kennell was in defensive midfield, with Toby Stephens playing further forward. Jacob Wellington, Josh Bissett, who was back after illness, and centre-forward Owen Howe completed the line-up.

Table-toppers Weymouth included two players who had played for the Yellows last season: winger Tor Swann and defender Harry Hutchinson. Also in the Terras' starting eleven, which hadn't exactly been goal-shy this season, was joint top scorer in the division Toby Holmes, who had reached 10 goals this season along with ex-Yellow Leighton Thomas.

LAST TIME OUT CONT.

There was a flow to this game from the outset, with the hosts determined to be in the ascendancy, but finding a well-organised Tiverton closing off a lot of the Terras' routes to goal, with strongly executed tackles and headers limiting their progress.

Asa Hall's men had already announced their threat with some slick passing and movement in their own half. They protected possession and Winter sent Bissett, who once again was in tremendous form, away down Weymouth's left. A desperate block tackle, which saw the home side concede a throw-in high up the pitch, was needed to prevent a cross.

In that busy opening, our defensive line was breached in the second minute and Smith got down well to palm away a side-footed effort towards the corner of his goal.

However, five minutes into the game, the Yellows broke at pace and a superb switch of play saw Bissett control the ball out wide, drive at his marker and then cleverly check back to buy himself some room to put over a telling cross. His measured ball in found a briefly unmarked Howe, who took a snapshot from close range that appeared to be cleared off the line by a Terras defender.

In the blink of an eye, Jacob Wellington, following up from point-blank range, had his shot pushed away by keeper Gerard Benfield, who, although positioned slightly behind the goal line, looked to have just about stopped the ball from crossing it.

LAST TIME OUT CONT.

After consultation with the linesman, the referee controversially awarded a goal, which was credited to Howe, even though the second attempt looked a little closer to being over the line than the first. Questionable decisions have a way of evening themselves out throughout a season, and it's fair to say we've been on the wrong end of a few ourselves.

Weymouth then enjoyed a sustained period of attack, but Tiverton dealt impressively with the home side's attempts to quickly get back on even terms. Koerner appeared to relish his battle with Tor Swann, and this was one of many absorbing individual contests on the day.

Despite crosses still finding their way into and around the Yellows' area, the solidity of our back line was arguably as strong as it's been all season. Very few headers were won by the promotion favourites, as Hall, Wood and Slough dominated aerially. A couple of calm, timely interventions from Hall also kept the Terras at bay.

In the 17th minute, after some neat build-up play from Tivvy, with the classy Stephens knitting play together in the middle third, Winter arrowed a ball into Howe, who got his header away from just inside the box but couldn't quite get enough power on it to trouble Benfield, who caught his attempt.

Then the impressive Wellington glided centrally past a few Terras players and, with the hosts short on numbers and stretched, centre-forward Holmes was booked as he tracked back and upended him. Nothing came from Bissett's free-kick in a good area, but both he and Wellington were causing lots of problems for Jamie Wells' team.

Weymouth continued to see more of the ball, but a defiant and supremely focused Tiverton were working their socks off and were rarely wasteful in possession, with Kennell breaking up play before the hosts had time to threaten and then distributing wisely. It wasn't until the 39th minute that our hosts got through, though Euan Pollock squandered his chance to draw his side level as he screwed a half-volley wide of the upright.

There were quite a few occasions when efforts were blocked from just outside the away side's area in a dogged display, with one crucial, crunching challenge from Wood preventing Smith from being exposed.

LAST TIME OUT CONT.

With the interval approaching, conceding would have put a different complexion on the game, but the Yellows managed a tricky period before half-time and headed to the dressing rooms a goal to the good. The game plan was clearly working, and a very professional Tiverton should have been very happy with their first 45 minutes' work.

I can't emphasise enough how good we were in possession as a team, and that continued into the second half. Starting well when the game got back underway, the team had a cushion in the 50th minute. Winter's teasing ball to just outside the D was chested down by Howe. He shifted onto his right foot and, from just inside the Weymouth box, finished sharply and expertly into the opposite corner. 2-0.

His first may have been dubious, but his second was right out of the top drawer. The stunned Terras regrouped and then started to get on the front foot. But every time they appeared to get a sight of goal, or a ball found its way in and around the Yellows' area, Tiverton closed the door with a series of timely interventions, clearing headers and blocks. That well-marshalled Tivvy defensive unit benefited from the composure and vision of Hall, but it has to be said that across the back line we were hugely impressive. Winter and Koerner were excellent outlets all afternoon as we built through the team.

It's difficult to convey without being at the game just how tireless Bissett had been, both in and out of possession, often hurrying the Weymouth players into giving the ball away. Anyway, he received a well-earned rest in the 67th minute, and what a performance he had given when he made way for Louis Jagger-Cane.

With around 20 minutes remaining, J. Wellington, with a good first touch, took the ball into the area and, just before he could pull the trigger, he was clearly brought down from behind. The referee held a different view, much to the anger of a contingent of Yellows fans who had been in good voice all afternoon, and Tivvy were denied a chance to put the game to bed.

Wellington then burst through again but chose to try to beat the last defender, with Jagger-Cane having taken up a good position to score on his right. The defender stole the ball and Weymouth returned up field.

LAST TIME OUT CONT.

The home side were persistent with their pressing and probing, and in the second half we saw more of the undoubted quality that they possess. Smith was getting busier but was very assured in his handling. Vital interventions from a host of Tivvy players meant we were holding firm.

In the 85th minute, Steve Orchard, David Steele and Lee Lashenko, over in the dugout, made a triple change. Dan Koita, Finn Roberts and Aaron Wellington entered for the departing Owen Howe, J. Wellington and Corey Koerner.

Howe had his best game for the club since his return, and his all-round play was impressive. There were so many exceptional performances from the players, including Wellington and Koerner, who are both starting to realise their potential.

Koita immediately made an impact, as the tall, skilful frontman held the ball up, drew a foul and won a throw-in in the opposing half. The Yellows' rearguard was finally broken in the 88th minute by Tor Swann, ensuring a nervy last seven minutes, as it turned out, with added time.

Swann fired the ball home in a congested Tivvy box. He had a decent game but was handled well by Slough and Koerner. Weymouth threw everything at Asa Hall's men, but they couldn't find a leveller, and the outball to Koita kept running down the clock. This kind of result has been a long time in the making, but the Terras definitely couldn't begrudge the Yellows taking all three points back to Mid Devon. There will be many twists and turns during the season, though knowing we are capable of performing like this is reassuring.

Tiverton Town: Smith (GK), Wood (C), Hall, Slough, Winter, Koerner (85), Kennell, Stephens, J. Wellington (85), Bissett (67), Howe (85).

Subs: Jagger-Cane (67), Koita (85), A. Wellington (85), Roberts (85), Alsop (90).

...IN HISTORY

7 NOVEMBER 2001 – 25 YEARS AGO
A FOUR-GOAL DEBUT TO REMEMBER!
TIVERTON TOWN 7-0 EXMOUTH TOWN

On 7 November 2001, Tiverton Town delivered a spectacular 7-0 victory over Exmouth Town at Ladysmead in the Devon St Luke's Cup.

Debutant Jamie Mudge was the star, scoring FOUR times. Phil Everett, Kevin Nancekivell and Antony Lynch added the other goals in front of 414 spectators.

The evening also brought former Tivvy favourite Kevin Smith back to Ladysmead in Exmouth colours – but it was Mudge who stole the headlines.

Three years earlier, on 7 November 1998, the Yellows won 3-0 at Backwell United. Scott Rogers struck twice, with Neil Saunders also on target, in a memorable Western League campaign.

SPORTING CLUB INKBERROW

MEET THE OPPOSITION CONT.

Ryan Hall: Goalkeeper Hall returned to the club on a permanent deal this summer, having previously enjoyed a loan spell with the Magpies from Aldershot Town during the 2022/23 season. Following his time with Aldershot, the keeper spent two campaigns with Isthmian Premier Division side Bognor Regis Town before linking up with boss Glenn Howes, who also signed him during his initial loan spell at The Avenue, at Gosport Borough last season.

Dale Hind: Dual-registered with Wessex Premier League side Wincanton Town this season, keeper Hind trained with the Magpies squad throughout pre-season before signing over the summer. The former Lymington Town and Downton goalkeeper most recently played for Gillingham Town, featuring against the Magpies at The Avenue in our Dorset Senior Cup tie in the previous campaign.

Will Seeley: Former AFC Bournemouth academy goalkeeper Seeley trained with the Magpies squad throughout pre-season, making his debut in our opening friendly against Downton, and also has non-league experience with AFC Stoneham, Romsey Town and Wincanton Town.

Harvey-Joe Bertrand: An attacking right-back who is also comfortable in central defence, Bertrand is another returning Magpie back home at The Avenue this summer. Having made more than 50 appearances following his debut in 2022, when he joined on dual registration from Blackfield & Langley, the defender returned for a second spell after signing from Bashley in June 2026. The former AFC Bournemouth academy full-back also has Southern League experience with Wimborne Town.

Ieuan Turner: A former U18s and U23s captain who has progressed through to the senior side, Turner made his Southern League debut for the club in 2023 and, prior to this season, had made 70 first team appearances in the heart of the Magpies defence. The promising central defender returned to The Avenue this summer fresh from a loan spell at Bashley, where he gained valuable Southern League Division One South experience during the previous campaign.

DORCHESTER TOWN FC
MEET THE OPPOSITION CONT.

Will Spetch: Club captain Spetch joined the club in September 2023 from neighbours Poole Town. A hugely experienced centre back, Spetch made over 450 appearances for the Dolphins, before switching to the Magpies where he is now in his fourth season. Having nearly reached a century of appearances in black and white in the Magpies defence, Spetch has also proved a major aerial threat from set-pieces, scoring 13 goals in that time - including a memorable last gasp injury-time header at Hungerford on the final day of the 2024/25 season, which secured a play-off place. The defender also took on the role of player/coach as part of Glenn Howes' management staff this past summer.

Ollie Haste: A versatile left-sided defender, Haste signed with Dorchester Town permanently from Yeovil Town in August 2024, following an impressive season on loan. Haste's all action displays during his season-long loan saw him win the Supporters' Player of the Season award, and he further delighted Magpies fans by making the move permanent the following summer, despite interest from numerous other clubs. Previously won the Southern Premier League South whilst on loan at Truro City and also spent a period on loan at his hometown club Barnstaple.

Tega Agberhiere: A former Republic of Ireland youth international, Agberhiere signed in June 2026 having been part of the AFC Totton squad that won promotion to the National League South in the 2024/25 campaign. The attacking full-back arrived at The Avenue having progressed through the academy at Waterford in Ireland to U19 level, and then gained experience playing in the USA on a soccer scholarship at Western Texas College, before making a move to Norwegian Third Division side Florø SK. Following a season in Norway, the left sided defender then made the switch back to the UK with Totton in October 2024, with one of his first appearances coming against the Magpies.

Liam McFarlane: Central defender McFarlane joined the club on a dual-registration deal from National League side Eastleigh in August 2026, where he is part of their Elite Development Squad, and arrived at The Avenue this summer having made his Spitfires first team debut during pre-season. The defender also has senior squad experience in non-league with Brockenhurst, Bashley and Totton & Eling over recent seasons.

DORCHESTER TOWN FC
MEET THE OPPOSITION CONT.

Jay Williams: Former Reading U21 central defender Williams, who previously came through the academy at AFC Bournemouth, spent the second half of last season on loan at the club, making 17 appearances in black and white during the previous campaign. Following a spell with Gosport Borough over this past pre-season, the centre-back - who has also played in central midfield - returned to The Avenue signing a permanent deal in August 2026.

Corby Moore: Vice-captain Moore joined the Magpies from Poole Town in September 2023 after making 260 appearances for the Dolphins and helping them win promotion to the National League South. The central midfielder began his career with Southampton before spells in the United States with Indy Eleven and a return to England with Forest Green Rovers, Bishop's Stortford and Chelmsford City. Arriving at The Avenue alongside Will Spetch in 2023, Moore quickly established himself as a key part of the Magpies midfield and set-piece specialist, and prior to the start of the new season, he had made 127 appearances in black and white - the most of any player in the current squad.

Matt Buse: Buse joined Dorchester Town in July 2024 from National League South side Truro City. A combative central midfielder, he has extensive experience at Step One and Two of the non-league ladder, having previously featured for clubs including Yeovil Town, Torquay United and Weymouth, whilst also making over 100 appearances for Taunton Town. In his debut season at The Avenue, Buse was a regular in the Magpies side, showing both his defensive and attacking versatility with appearances in addition to his usual central midfield role at wing-back and further forward in attacking midfield.

Tom Purrington: Central midfielder Purrington returned to Dorchester Town this past summer after initially enjoying a loan spell at the club from Plymouth Argyle in 2019, before joining permanently for the duration of the 2021/22 campaign. The Exeter-born midfielder progressed through Argyle's academy, earning a professional contract and making his first-team debut in the EFL Trophy in 2018. Having gone on to feature for Tiverton Town, Plymouth Parkway and most recently Taunton Town all at Southern League Premier South level over recent seasons.

DORCHESTER TOWN FC
MEET THE OPPOSITION CONT.

Jack Winsor: Former Torquay United midfielder Winsor progressed through the club's academy before signing his first professional contract at Plainmoor, and has since gone on to gain valuable Southern League experience with Willand Rovers and, more recently, AFC Bideford, where he made more than 100 appearances across the past three and half seasons. Winsor signed in August 2026 having impressed boss Glenn Howes during pre-season.

Henry Spalding: Joined the Magpies on loan from Poole Town in August 2026. Having previously made over 200 appearances for Swindon Supermarine across a number of seasons, the 28-year-old midfielder also has experience with spells at Hungerford Town and Gosport Borough over recent years, before he joined the Dolphins at the start of last season, where he was a regular fixture in their side. Spalding made an instant impact on his debut with a goal and an assist, scoring less than two minutes after coming off the bench in our FA Cup win over Winchester.

Ethan Taylor: A prolific goalscorer, former Southampton academy striker Taylor scored 80 goals in just over 200 appearances for AFC Totton, playing a key role in the team's rise through the Southern League. During his time with the Stags, he helped the side secure two promotions in three seasons, which included scoring their decisive winning goal in the 2024/25 play-off final. Having joined Gosport Borough last summer, and after enjoying a productive campaign with another double-digit goal tally, scoring 13 league goals, the forward reunites with boss Glenn Howes once again having worked with him at both Totton and Gosport to become the Magpies new No 9.

Jayden Nielsen: A wide player comfortable on either wing, Nielsen arrived at Dorchester Town this summer following two seasons with Taunton Town. A former Bristol City apprentice, the winger also spent a number of successful years with Bristol Manor Farm in the Southern League Division One South, making a big contribution as they reached two play-off finals in three seasons, and which also included being voted in the Southern League Division One South Team of the Season during his last campaign playing at this level in 2023/24.

DORCHESTER TOWN FC
MEET THE OPPOSITION CONT.

Matty Burrows: Former AFC Totton, Wimborne Town and Portland United winger Burrows arrived at The Avenue in June 2026 following a season at Weymouth. The pacey forward, who off the pitch works as an academy coach at Champion Sports Group based at the stadium, has a history with winning the Southern League Division One South, having been a part of the AFC Totton squad that won the title in the 2022/23 season, as well as spending a spell on loan at Wimborne during their title-winning campaign the following year.

Freddie Beale: A talented hometown winger, Beale was part of AFC Bournemouth's academy for several years before joining Eastleigh where he has progressed through their academy over the past three seasons. Having signed for Magpies boss Glenn Howes ahead of the upcoming 2026/27 season, the teenage forward has also gained valuable first team experience with Portland United and, more recently, Brockenhurst, where during an impressive campaign he scored 15 goals and scooped the Supporters' Player of the Season award.

Kyran Samadi: Former Eastleigh academy and Poole Town winger Samadi originally joined the club in the summer of 2024, making a number of appearances throughout the season as the Magpies finished in the play-off places. After featuring for Bashley last season, during which he made his international debut for the British Virgin Islands in November before scoring his first international goal a few days later, the attacker re-joined the club this summer after featuring throughout pre-season. Dual-registered with Bashley in October 2026.

Fin Murray: Previously part of Eastleigh's academy, Murray arrived at The Avenue following a season with Gosport Borough where he impressed as part of their U18s side and progressed into the first team setup - which included making his full senior debut under now-Magpies boss Glenn Howes in the Hampshire Senior Cup in early 2026. The forward, who usually plays just behind the striker in the number 10 role, also made his Southern League Premier South debut for Gosport on the final day of last season. Murray is dual-registered with Horndean this campaign.

DORCHESTER TOWN FC
MEET THE OPPOSITION CONT.

Ilya Ihnatenko: Dual registered from National League side Eastleigh in August 2026, striker Ihnatenko arrived fresh from spending pre-season with the Spitfires senior squad, impressing in a number of their first team friendlies. Having finished as the top goalscorer in the U19 National League Alliance Division E during the previous campaign with 23 goals, the forward also has first team experience with Downton and Bemerton Heath Harlequins, where he also finished as their top goalscorer last season.

Hassan Jalloh: Signing for the Magpies in October 2026, Jalloh is a former Hayes & Yeading attacking midfielder/forward who scored 46 goals in over 120 appearances across five seasons. As well as a spell with Havant & Waterlooville in the National League, Jalloh has also featured for Rayners Lane, Lewes and Northwood over recent seasons.

Ibby Olateju: Joined the Magpies on loan from AFC Totton in October 2026. Having progressed through the academy at Cheltenham Town, striker Olateju has also gained senior experience with spells at clubs including Evesham United and Malvern Town prior to joining Totton this summer, where he impressed in pre-season and has made a bright start to the campaign, including scoring an injury-time winner in the Stags' National League South fixture against Billericay Town.

Glenn Howes - Manager: Former Magpies midfielder Howes has a long association with the club and needs little introduction to supporters - known for his all action and fully committed displays in the heart of the midfield during his playing days in black and white, he returned to the club over 15 years later in the dugout as manager, where he and his coaching staff turned the club around and oversaw a revival in our fortunes, before later linking up with Tom Killick as his assistant which led to us finishing in the play-off places the season before last. After making the hard decision to depart the club after four years last summer, and following a season as manager at league rivals Gosport Borough, Howes returned home to The Avenue for a second spell in charge in May 2026. Howes also has history with the Southern League Division One South title - having first been appointed as Magpies manager in 2021 from AFC Totton, who at the time sat top of the division.

DORCHESTER TOWN FC
MEET THE OPPOSITION PREVIEW

Tuesday October 27th 2026
Slee Blackwell Solicitors Stadium

At the weekend Tiverton in beating Larkhall, acquired an all-important three points and produced a display of character and quality that was urgently required, after two league losses that had seen them slip down the table. Teams are in close proximity above us and below us, so any of the variety of results could dramatically change our league position positively or negatively.

It's hard to talk about Saturday's victory without mentioning Josh Bissett's hat-trick. Three excellent finishes and an excellent performance aside from the winger, full of clever movement and skilful footwork. Although the whole team worked their socks off in a reassuring display.

A further boost was Louis Jagger Cane's return from the bench, and he will seek further minutes in this fixture. New Exeter loanee, defensive player Toby Alsop was also introduced as a late substitute and a fully fit Toby Stephens should soon be an option, with him steadily building towards a starting place, after a number of substitute appearances.

The involvement of Dan Koita has been growing in the warmups and he too will be pressing for a starting place soon. Though perhaps what is most important is for the Yellows' to find a consistency in performance and to be regularly clinical.

In the reverse fixture Dorchester were two goals to the good at the halfway point, but Tiverton came on strong in the last 25 minutes and a Josh Bissett goal on debut in the 78th minute had Dorchester hanging on in the end and relieved to get out of the Avenue Stadium with a win.

Glenn Howe's side have enjoyed their start to the season and have definitely thrown their hat in the ring, as far as promotion is concerned. Lying in third place, the ambition for an immediate return will not have been quelled by a surprising home loss to Slimbridge on Saturday.

DORCHESTER TOWN FC
MEET THE OPPOSITION PREVIEW

Howes is a vastly experienced Southern League manager, having taken charge at Gosport, Totton, Blackfield & Langley and having a previous spell with the Magpies. Former Poole and Dorchester boss Tom Killick's role as football director, gives the Dorset side plenty of combined backroom knowledge.

There appear to be plenty of goals in the visitors' squad. The acquisition of Ethan Taylor who had a good goal scoring record in the league above, seems to have been a shrewd one. Five seasons at Totton and another at his original club Gosport last term, signifies his striking abilities and 8 league goals already, proves this.

Winger Matty Burrows was a bit of a thorn in the side of the Yellows' in his Wimborne days. The tricky wideman or forward has additionally played for Weymouth earlier in his senior career. He returned to the Terras last season but was one of Howes's first signings ahead of this term and Burrows has made his mark with 7 league goals and assists as well.

Jayden Nielsen who played for our director of football Lee Lashenko at Bristol Manor Farm at the beginning of his senior career is a very talented player, who plied his trade with Taunton in recent times. The wide player arrived in the off season and has established himself in the side.

Brother of professional player, full back Ben Purrington who is at the moment with Bristol Rovers, Tom Purrington is a gifted midfielder, who aside from a season with Tiverton, has also worn the colours of; Plymouth Parkway and Taunton. The silky, tall 26-year-old technician is another new recruit, who was a young pro with Argyle and was a loanee at the Magpies, during that time.

MEET THE OPPOSITION PREVIEW

Twenty-Nine-year-old defensive midfielder Matt Buse carries on the brother theme, with his sibling Will being a non-league goalkeeper with Ebbsfleet, after spells with the likes of; Bath, Taunton and Salisbury.

Buse has carved himself out a good non-league footballing career, having represented a host of top non-league clubs; Torquay, Wealdstone, Bath, Truro and Taunton have all been previous destinations for the deep lying schemer, who joined the Magpies in the 2024/25 campaign.

Ex Torquay academy product Jack Winsor is a cultured and energetic midfielder, who trialled in pre-season for Tivvy ahead of the 2025/26 campaign. He has good experience of this league and has played over 100 games for Bideford in it. The 22-year-old's services have also been acquired by Tavistock and Willand.

Corby Moore, who got injured in the first few minutes of the game at the Avenue Stadium, continued his recovery as a named substitute at the weekend. The 32-year-old combative and creative midfielder was a big player at Dorset rivals Poole and has been pivotal for the Magpies.

Defender Ollie Haste who has been captaining the side in Moore's absence, has played 127 times for the visitors in three and a bit seasons and the football playing full back or wingback who is Devon born, started at Yeovil and was a loanee at Truro and Barnstaple. A third loan spell at Dorchester evolved into a permanent move. He is 22.

Centre back Harvey Bertrand spent his formative years at Bournemouth. The versatile defender who can also operate to good effect as a full back is in a second stint with the Magpies after spending three seasons with them. The previous two campaigns were with Bashley.

Between the sticks is Ryan Hall. The Dorset side's number one was developed at Aldershot and spent the first five years of his senior career there. Spending last term at Gosport, the gifted shot-stopper has amassed further senior experience with; Hayes & Yeading, Beaconsfield and Wimborne.

DORCHESTER TOWN FC
MEET THE OPPOSITION PREVIEW

These are always tough games against the Magpies and the yellows have dealt mainly in draws and a few losses too, in recent times at home. You have to wind back to the 2022/23 season for the last time we defeated Dorchester. In February 2023, a Louis Morison brace and another goal from Jamie Richards, saw us win 3-0 on that day at home.

Under the lights there will be a chance to redress the balance. A win would of course be a big feather in the cap for Asa Hall's men, but if we keep believing as a team, we are capable enough and it is not beyond the realms of possibility.

Last season a side containing many of the players in this squad were victorious at the Avenue Stadium, the goals on that evening coming from Louis Jagger Cane (2) and Jacob Wellington. Louie Slough will be facing a former club and both sides will have a familiar look to each other.
